

**DELINQUENT TAX SALE
COUNTY OF HILL
DECEMBER 1, 2009 – 10:00 A.M.
HILL COUNTY COURTHOUSE STEPS**

GENERAL INFORMATION REGARDING THE TAX SALE

The following is important information regarding the property to be offered for sale. You must carefully read this information and evaluate these facts in light of your anticipated use of the property.

- (1) Prior to the beginning of the tax sale, a person intending to bid will be required to register with the person conducting the sale and present a form of identification issued by a government agency (i.e., Driver's License).
- (2) The property will be sold at public auction and will be sold for cash to the highest bidder, based on oral bids. The rules covering auctions generally will apply. Purchasers must pay for their property with cash or a cashier's check payable to the Hill County Sheriff's Department.
- (3) The amount of the opening bid is set out below each tract, and the bidding must start at that figure or higher, and sums less than the given figure cannot be accepted. Any successful bidder who fails to make payment shall be held liable for twenty percent of the value of the property plus costs incurred as a result of the bidder's default pursuant to Rule 652 of the Texas Rules of Civil Procedure.
- (4) Purchasers at this tax foreclosure sale will receive an ordinary type of sheriff's deed which is without warranty, express or implied. A policy of title insurance may be difficult to obtain.
- (5) All property purchased at this sale is subject to a statutory right of redemption. This redemption period commences to run from the date the purchaser's deed is filed for record in the County Clerk's office. Purchasers have the right of possession during the redemption period. There is a two year right of redemption for homestead property and property appraised as agricultural land. There is a 180 day right of redemption for all other property.
- (6) Anyone having an ownership interest in the property at the time of this sale may redeem the property from the purchaser during the redemption period. The redemption price is set by the TEXAS TAX CODE as follows: purchase amount, deed recording fee, taxes paid by purchaser after the tax sale, and costs expended on the property, plus a redemption premium of 25 percent of the aggregate total during the first year or 50 percent of the aggregate total during the second year. "Costs" are defined as the amount reasonably spent by the purchaser for the maintenance, preservation and safekeeping of the property as provided by Section 34.21(g) of the TEXAS TAX CODE.
- (7) The minimum bid amount includes taxes which were delinquent at the date of judgment. This does not include the current tax year. Purchasers will be required to pay all taxes which accrued subsequent to the date of judgment.
- (8) It will be necessary for the bidders to satisfy themselves concerning location of the property on the ground prior to the sale. Maps and plats of these properties may be on file in the office of the County Clerk or the Appraisal District and all papers in the lawsuit(s) on which this sale is based are on file in the office of the District Clerk. The approximate property address reflected herein is the address on the tax records and may or may not be completely accurate.
- (9) Property purchased at this tax sale may be subject to liens for demolition, mowing, or maintenance fees due to the City or Property Owners Association in which the property is located.

If you have questions or need additional information, you may contact our office at 254/756-7755 or the Hill County Tax Office.
